10. IT Security & Acceptable Use
11. Code of Conduct & Workplace Standards
12. Performance Reviews & Growth
13. Offboarding Checklist
14. Key Contacts

1. Welcome & Company Overview

Welcome to Nimbustack Solutions Inc. We build workflow automation software for mid-market logistics companies, and we're glad you're part of the team. This handbook is your single reference point for how things work day to day — from time off and expenses to IT access and workplace conduct.

This handbook applies to all full-time and part-time employees of Nimbustack Solutions Inc. It does not override your individual offer letter or any written agreement where the two conflict; in that case, the offer letter governs. HR reviews and updates this handbook annually, or sooner if policy changes are required.

Company Snapshot

Item	Detail
Headquarters	Austin, Texas (hybrid HQ)
Founded	2016
Headcount	~340 employees across 4 countries
Fiscal Year	January 1 – December 31
HR System	Nimbus HR Portal (hr.nimbustack.com)

2. Employment Basics

Employment Classifications

- **Full-time:** 40 hours/week, eligible for full benefits from day one.
- **Part-time:** Under 30 hours/week, eligible for prorated leave benefits only.
- **Contractor:** Engaged via statement of work; not covered by this handbook.
- **Intern:** Fixed-term, paid, eligible for holidays and sick leave but not annual leave accrual.

Probationary Period

New employees complete a 90-day introductory period. Either party may end employment during this window with 5 business days' notice. Benefits enrollment and equipment stipends remain active during probation.

Standard Working Hours

Core collaboration hours are 10:00 AM–3:00 PM in your local time zone. Outside of core hours, teams may set their own schedules as long as weekly commitments are met.

3. Time Off: Annual Leave & Public Holidays

Annual (Paid Time Off) Leave

Full-time employees accrue **18 paid annual leave days per year** (1.5 days per completed month of employment). Leave is requested through the Nimbus HR Portal and requires manager approval at least 5 business days in advance for absences longer than 2 days.

Tenure	Annual Leave Accrual
Year 1–2	18 days/year
Year 3–5	21 days/year
Year 6+	25 days/year

Unused leave may be carried over into the next calendar year up to a maximum of **5 days**; any balance above that is forfeited on December 31 unless local law requires otherwise. Upon termination, accrued and unused leave is paid out at your current base rate.

Public Holidays

Nimbustack Solutions Inc. observes 10 paid public holidays each year for employees based in the United States. Employees in other countries follow the local holiday calendar published by HR each January.

Holiday	2026 Observed Date
New Year's Day	January 1
Memorial Day	May 25
Juneteenth	June 19
Independence Day	July 3 (observed)
Labor Day	September 7
Thanksgiving Day	November 26
Day After Thanksgiving	November 27
Winter Break (2 days)	December 24–25
New Year's Eve	December 31

4. Sick Leave & Parental Leave

Sick Leave

- 10 paid sick days per calendar year, accrued monthly.
- No doctor's note required for absences of 2 days or fewer.
- A note is required for absences of 3+ consecutive days before returning to work.
- Unused sick leave does not carry over or pay out at termination.

Parental Leave

- **Primary caregiver:** 14 weeks paid leave.
- **Secondary caregiver:** 6 weeks paid leave.
- Leave can be taken continuously or split into two blocks within 12 months of the birth, adoption, or foster placement.
- Employees should notify HR at least 30 days before the expected leave start date where possible.

Bereavement & Jury Duty

Up to 5 paid days for the loss of an immediate family member, and up to 10 paid days for jury duty (excess time unpaid unless approved by HR).

5. Remote & Hybrid Work Policy

Nimbustack Solutions Inc. operates on a flexible hybrid model. Roles are tagged as Remote, Hybrid (2 office days/week), or Office-based in the job description; your manager confirms your classification during onboarding.

- Remote employees must maintain a reliable internet connection (minimum 25 Mbps download).
- Company equipment must be used on a secured, password-protected home network.
- Employees working from a different country for more than 30 days must notify HR in advance for tax and compliance reasons.
- Coworking space stipends of up to \$150/month are available in lieu of the connectivity stipend — not both — and must be pre-approved by your manager.

6. Equipment Stipend for Remote Work

To help you set up a productive home workspace, Nimbustack provides the following remote work allowances:

Stipend	Amount	Frequency
Home office setup (desk, chair, monitor, etc.)	\$750	One-time, first 60 days
Internet / connectivity stipend	\$50/month	Monthly, added to payroll
Laptop & peripherals refresh	Up to \$1,200	Every 3 years
Software/tooling requests	Case-by-case	As approved by manager

To claim the one-time setup stipend, submit receipts through the Nimbus HR Portal under **Benefits** → **Equipment Stipend** within 60 days of your start date or move to a remote role. The connectivity stipend is added automatically to remote employees' pay after IT confirms remote equipment issuance and does not require a separate claim.

Note: Company-purchased equipment remains company property and must be returned within 14 days of offboarding — see Section 13.

7. Expense Reimbursement & Client Meals

General Expense Policy

- All business expenses are submitted through Expensify within 30 days of the purchase date.
- Itemized receipts are required for any expense over \$25.
- Expenses under \$100 need manager approval only; expenses over \$500 also require Finance sign-off.
- Reimbursements are paid out with the next standard payroll cycle after approval.

Client Meals & Entertainment

Meal Type	Per-Person Cap	Notes
Client meal (breakfast/lunch)	\$60	Itemized receipt required
Client dinner	\$100	Alcohol capped at 2 drinks/person
Internal team lunch (non-client)	\$30	Max 1x per month per team
Client entertainment (events, etc.)	Case-by-case	Pre-approval required over \$200

When submitting a client meal expense, include the client's company name and the business purpose in the Expensify notes field — expenses missing this context are returned for resubmission. Meals with a per-person cost above the caps listed require written manager approval before the expense is submitted, not after.

8. Business Travel Policy

- Flights: economy class for trips under 6 hours; premium economy permitted above 6 hours with manager approval.
- Hotels: book through the Nimbus Travel portal; nightly cap of \$250 in major metro areas, \$180 elsewhere.
- Ground transportation: rideshare or standard rental car; luxury tiers are not reimbursed.
- Per diem for meals while traveling (when not billed to a client): \$65/day domestic, \$85/day international.
- All travel over \$1,000 in total cost requires pre-trip approval from your manager.

9. IT & Systems Access — Resetting Your Company Email Password

Your Nimbustack email account (you@nimbustack.com) is managed through the Nimbus Identity single sign-on (SSO) system, which also controls access to Slack, the HR Portal, and most internal tools. Resetting your email password resets your SSO password everywhere.

Self-Service Reset (recommended)

- Go to **reset.nimbustack.com** from any browser (no VPN required).
- Enter your full company email address and click **Send verification code**.
- Approve the push notification in the Nimbus Authenticator app on your phone, or enter the 6-digit code sent via SMS to your registered number.
- Choose a new password (minimum 12 characters, at least one number and one symbol).
- Allow up to 5 minutes for the new password to sync across Slack, Gmail-for-Work, and the HR Portal before signing in again.

If You're Locked Out or Have No Phone Access

- Contact the IT Helpdesk at **helpdesk@nimbustack.com** or ext. 4100 (internal) / +1 (512) 555-0142 (external).
- You'll be asked to verify your identity with your employee ID and manager's name.
- IT will issue a temporary password valid for 24 hours; you must set a permanent password on first login.

Passwords expire every 180 days and cannot repeat your last 5 passwords. IT recommends enrolling in the Nimbus Authenticator app during onboarding to make self-service resets faster.

10. IT Security & Acceptable Use

- Multi-factor authentication (MFA) is mandatory on all company accounts.
- Company laptops must have disk encryption and the endpoint security agent active at all times — IT monitors compliance automatically.
- Do not install unapproved software on company devices; request approval via the IT Helpdesk.
- Report suspected phishing emails using the "Report Phishing" button in your email client rather than replying or clicking links.
- Personal use of company devices is permitted in moderation but must not involve storing personal financial or medical data.

11. Code of Conduct & Workplace Standards

Core Expectations

- Treat colleagues, clients, and vendors with respect regardless of role or seniority.
- Harassment, discrimination, or retaliation of any kind will not be tolerated and can be reported confidentially to HR or via the anonymous ethics line.
- Conflicts of interest (e.g., outside employment with a competitor, hiring relatives) must be disclosed to HR before they arise, not after.
- Confidential company and client information may not be shared outside approved channels, including on personal social media.

Dress Code

Business casual for office days and client-facing video calls; casual dress is fine for internal remote work days. Use judgment for client site visits and default to slightly more formal than the client's own dress code.

12. Performance Reviews & Growth

- Formal performance reviews occur twice a year: mid-year (June) and annual (December).
- Reviews combine self-assessment, manager assessment, and peer feedback from 2–4 colleagues.
- Compensation adjustments are considered at the annual review cycle, tied to both individual performance and company results.
- New employees receive an informal 30/60/90-day check-in with their manager in addition to the standard review cycle.

13. Offboarding Checklist

Whether you're moving on voluntarily or your role is ending, here's what happens in your final two weeks:

- Manager and HR confirm your last working day in writing.
- IT schedules deactivation of SSO, email, and system access for end of day on your last day.
- Return all company equipment (laptop, monitor, peripherals) within 14 days via the prepaid shipping label HR emails you, or in person at a company office.
- Final paycheck includes payout of unused annual leave (see Section 3) and is issued on the next standard payroll date, or sooner where required by state law.
- You'll receive COBRA/benefits continuation information from HR within 5 business days of your last day.
